Reviews

This type of pdf is everything and helped me searching ahead and a lot more. It normally does not expense a lot of. You wont really feel monotony at anytime of the time (that's what catalogues are for relating to should you request me).
(Zella Bradtke)

CROSSING BLACK WATERS

Stephen F. Austin State University Press, Nacogdoches, 2011. Soft cover. Book Condition: New. Crossing Black Waters is an exploration of borders through one family's personal odyssey from the violent upheaval of the Partition of India in 1947 to emigrating to the U.S. The book delves into the psychological impact of leaving behind a past that keeps "pulsating behind swinging shutters of thought" to recreate lives and identities anew, and searches for "home"--a "lonely room in the [my] mind," a "heartache" at the "end of rainbows," or else a fictitious "country," built around "hubs" of friendships forged over "glasses of wine and tandoori chicken." A key phrase is "I am knot"--the "not" of losing one's identity and family coupled with the idea that one cannot truly be separate and is "knotted" with the past and kin for life.
