IBBY S FEELINGS

Dog Ear Publishing, United States, 2011. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Ibby s Feelings is a book to be read along with young children. It is the story of a fouryear-old child who is witnessing domestic violence in her home. Ibby s Feelings demonstrates that children who witness or experience domestic violence may have some of the same normalcies as children who do not. They may do fun things with their parents, enjoy time spent with other family members, and have their favorite pastimes. The difference is, the lives of children who witness or experience domestic violence are plagued with anticipation of the violence that could occur at any given moment, without warning. Ibby s Feelings is a roadway to freedom from the rage, the silent shame, the fear, and the pain caused by domestic violence. Ibby s Feelings assists adults in understanding the impact of domestic violence on young children. Ibby s Feelings sends a simple yet pertinent message to adults and that message is PLEASE HELP! The stress of witnessing and/or experiencing domestic violence impacts upon the lives of young children in ways that are oftentimes overlooked by adults. For example, the child may seem timid, be aggressive, be asthmatic, or appear to have attention deficit disorder. Ibby s Feelings is a storybook to be read with children who are or may have been exposed to domestic violence. The book can assist adults who work with children in opening a doorway that allows child victims to label and discuss their feelings and their experiences. Statistics have shown that a man who batters his wife or significant other, could more than likely abuse the children who live in that household. Even children who are not experiencing...
