Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

HOTEL DE INSECTOS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. Hotel de insectos no es un cuento que trate sobre uno de esos hoteles (cuyos materiales son ladrillos porosos o terracota, ramas, canas, troncos, cortezas, turbas, etc.) que acogen a insectos beneficiosos, los cuales se alimentan de las plagas, no. Es un cuento que discurre fundamentalmente en un hotel abierto a clientes que son insectos herbivoros y demas. Bueno, el resto lo sabran cuando lo lean. Un hecho magico que sufrieron ambos protagonistas -tomando la forma de polilla-, sirvio para que lidiaran con las sombras que moran en los escondrijos del cosmos y tuvieran una vision mas intensa del instante luminoso, asi como de los abismos que alteran la dimension espiritual. Para finalizar, dire a los aficionados al mundo de los insectos y entomologos, a modo de disculpa, que el rigor no es propio de cuentistas.
