

Islam and the Divine Unity (Paperback)

By Khwaja Ghulam Panipati

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Panipati s Islam and the Divine Unity is a concise, easy-to-read and well-organized text dealing with the concept of God in Islam from a Shia perspective, with some discussions dealing with the views of other religions on God, including Christianity and Hinduism. This brief book was completed and printed firstly in 1924, and no second edition had appeared since then, so Mojtaba Publications decided to undertake the task of editing and publishing it for the need of the average English Shia reader. It also serves a trustworthy guide for our non-Muslim friends who merely want to learn what our faith teaches about God.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
