

Topsy Turvy World

By Atak.

Flying Eye Books. 1 Cloth(s), 2013. hard. Book Condition: New. Originally published in Berlin, this wordless, strange, somewhat subversive picture book for all ages comes from German artist Atak. In his upside down world, bunnies aim at hunters, mice chase cats, babies in high chairs spoon-feed their mothers, the three little pigs blow down the wolf's house, and giant butterflies try to scoop up little girls in their nets. Cultural references abound in Atak's seemingly primitive folk-art images which alternately fill single or double pages throughout the book providing plenty of opportunity for discussing the pictures with younger readers and also rewarding observant adults. 28.
