

Snake Oil: The Art of Healing and Truth-Telling (Paperback)

By Rev. Becca Stevens

Time Warner Trade Publishing, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Healing begins with love and the belief that change is possible. After fourteen years of ministering to prostitutes, drug addicts, and female victims of every kind of abuse, Becca Stevens knows firsthand what it means to be broken - and what it means to find healing. Stevens shares how God turned her own childhood scars of sexual abuse and loss into two nationally acclaimed ministries for healing others. She founded Magdalene, a free rehab and housing programme for prostitutes, and Thistle Farms, employing women to manufacture all-natural body care products in a supportive community of survivors. Wise and reflective, SNAKE OIL inspires readers by offering real recipes for healing oil blends and a story that empowers all who come in contact with it. From clovers to casseroles and everything in between, Becca - a snake oil salesman - affirms that redemption comes in the most unexpected places, and the belief in healing can be just as restorative as the product itself.
