THE LADY FROM THE SEA (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. 184 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. Lady from the Sea. name of Henrik Ibsen has now become so familiar to the English public it seems almost needless to remind the reader of the incidents of his life. I may, however, be permitted to repeat once more that the most illustrious Scandinavian writer our age was born in the little timber-port Skien, in Norway, on the 20th of March, 1828. His parents were Norwegian by citizenship, but of a stock in which Danish, German, and Scotch elements were curiously tingled. Like Keats, he was brought up to busy himself among plasters, pills, and ointment boxes, but soon threw off this bondage of the apothecary. In 1850 he published a stiff historical tragedy of Catalina. From this he rose, slowly but steadily, to poetical work more characteristic of himself. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
