

A Lover's Lament

By K L Grayson

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In a matter of seconds, my entire world changed, and it was in that moment that I stopped living and simply began to exist. In my grief, I sent a letter to the first boy I ever loved. I hoped in writing it I'd find some peace from the nightmare I was living, some solace in my anger. I didn't expect him to write back. I wasn't prepared for his words, and I certainly wasn't ready for the impact this soldier would have on my life. A deep-rooted hate transformed into friendship, and then molded into a love like I'd never known before. Sergeant Devin Ulysses Clay did what I couldn't: He put the shattered pieces of my heart back together, restoring my faith in humanity and teaching me how to live again. But now that I'm whole, I have a decision to make: Do I return to my life as I knew it and the fiancé I left behind, or do I walk away from it all for the only man to ever break my heart?.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
