This large print edition offers a larger type size that is easy to read and reduces eyestrain. The classic King James Version (KJV), beloved by generations of Bible readers, was first published in England in 1611. Commissioned by King James I, it was the achievement of nearly fifty translators, who over four years revised the Bishops Bible in the light of available Greek and Hebrew documents as well as other contemporary European translations. The result was the first Authorized Version, known to Americans as the King James Version. Subsequent editions corrected early misprints, modernized some spellings, and standardized features such as punctuation and italicization. The most famous revisions include the Cambridge edition of 1762, the Oxford edition of 1762 and Dr. F. H. A. Scriveners Cambridge Paragraph Bible of 1873. Compare the Zondervan KJV Study Bible with any other KJV study Bible and you'll quickly see why nothing else even comes close. We've done our utmost to give you a Bible that only increases in its usefulness as you grow in Christ. Read it daily, study it deeply, mark it up, make it your prayer guidebook, search it for wisdom, guidance, and encouragement, and treasure it like a close friend. You'll value it more and more as the years go by. Here...
