Each thread of our humanity is set in his image. Unlike the human weaver, God's calculations are perfect. There are no mistakes, oversights, or uneven salvages. We are precious and loved because he has formed us. In her inspirational weekly devotional, author Ann Marie Bezayiff continues to share her spiritual journey, but his time with her loom and yarn. Her insights of faith in everyday life are like the creative process and skill of hand weaving. Drawing upon her experiences as a writer of words, a life-long teacher, and weaver of cloth, her stories are reminiscent of our own personal walk with Christ in our busy, complicated lives. As we work the yarns of life and weave together our experiences and understandings, her insights remind us that no matter the shape, texture, or design we create, each of us is uniquely woven by the hand of God. Ann Marie uses fifty-two funny and inspirational life stories to illustrate that Weaving a Spiritual Life is a step-by-step process whose finished result is worth the wait.
