Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Single-breed yarns are enormously popular these days, and the huge number of different brands available in yarn stores today reflects this. Manufacturers range from small-scale artisan spinners right through to wholesale international producers. Many major yarn brands have launched new lines of single-breed wools to keep up with the demand, including Blue-faced Leicester, Shetland, Black Welsh, Jacob and Suffolk varieties. Pure Wool contains detailed information on numerous different kinds of single-breed wool, with advice on choosing the type that s right for your project, and also includes more than twenty patterns, specially designed to work well with specific kinds of wool. Author Sue Blacker covers all the technical know-how you could need to get creative with single-breed yarns, and introduces you to the sheep and the people behind the wool you use.
