2016. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. It's easy to become overwhelmed by the volume of information you discover, and you might be frustrated without a plan of attack for maximizing your progress. This book will show you how to use tried-and-true methods and the latest tech tools and genealogy software to organize your research plan, your workspace and your family-history finds. In this book, you'll learn how to organize your time and resources, including how to set goals and objectives, determine workable research questions, create the most suitable physical and online workspace, sort paper and digital documents, keep track of physical and online correspondence, prepare for a research trip and follow a skill-building plan. With this comprehensive guide, you'll make the most of your research time and energy and get yourself on a road to genealogy success. Whether you're a newbie wanting some best practices as you get started or a seasoned researcher looking for new and better ways of getting organized, this guide will help you manage every facet of your ancestry research. Who Should Get This Book You'll love Organize Your Genealogy if. You feel like you're drowning in files and information and need strategies for getting it all in order You'd like practical organizing tips for every step of the research process, from setting goals to drawing conclusions You want to take advantage of new genealogy activities (such as research trips and volunteering) but don't know how to start What's Inside Organize Your Genealogy features: Secrets to developing the organized habits that will maximize your research time and progress Hints for setting up the right physical and online workspaces Proven, useful systems...
