*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

I write when there is nothing on TV. I write when my emotions are out of whack. I write when I can t speak. I write when my word don t come out right. I write to understand what went wrong. I write to capture moments that made me smile. I write to live. I ve written a poem because of a word I ve heard in everyday conversation. I ve written a poem because of the way a song made me feel. I ve written a poem based on something a friend of mine was going through. I ve written a poem about the man that broke my heart, the man that I loved and/or the man that I want to get to know. All of my poems are about someone, something I felt, something I heard, or something I saw.
