Head of Zeus, United Kingdom, 2013. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. For all the accusations of greed levelled at its well-remunerated players, and the gripe that it is dominated by an elite of wealthy clubs, the Premier League has proved a huge success in footballing and commercial terms since its inaugural season of 1992-3. It has transformed the violent terrace culture of the 1970s and 1980s into sophisticated sporting theatre, a twenty-first century Circus Maximus in which an international cast of footballing gladiators strut their skills before vast crowds in gleaming stadia - and a global audience of billions. Jim White has chosen ten epic clashes to represent the rise and rise of English football s top flight. He evokes the sweat and effort of the matches in thrilling detail, and uses them as a prism through which to view every strand of the premiership s development: he profiles players, managers and owners; charts the ebb and flow of club fortunes in footballing and fiscal terms; and brings to life the turning-points and moments of drama, joy and despair that have punctuated the first 21 years of global football s most watched league.
