ODESSA: THE JOKE S ON YOU! (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a book of jokes which came directly from the mouths of elementary students. I am a teacher and enrollment at me school is being cut for a new school which is expected to be open for the following school year. Many of the students have been at my school since their kindergarten year. When we found out that many of the students would be moving to the new school, I set out to make things a little more fun. For the entire year, I had the students from all grade levels tell me a joke. As the year went on I had collected over three hundred jokes. It was fun and it kept their minds off the fact that they would be leaving their school, teachers and friends. This book is for all the students who helped make this possible.
