

The Ten Trillion Dollar Gamble: The Coming Deficit Debacle and How to Invest Now: How Deficit Economics Will Change Our Global Financial Climate (Hardback)

By Russ Koesterich

McGraw-Hill Education - Europe, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Your Survival Guide to the Next Financial Storm Many commentators rant about budget deficits and the country's moral failings. Russ Koesterich calmly and objectively describes our downward economic spiral over the next 20 years and recommends the investments best suited for that journey. -Ron Kahn, Global Head of Research, BlackRock Scientific Active Equities, and coauthor of Active Portfolio Management A must-read for anyone who has ever touched currency or heard of money. -Vadim Zlotnikov, Chief Market Strategist, AllianceBernstein A useful book that underlines an essential reality: Americans will not be returning to the old normal. We must adapt to a changing world that presents us with new risks and opportunities. The Ten Trillion Dollar Gamble broadens and deepens a conversation we have to have. -Ian Bremmer, President, Eurasia Group, and author of The J Curve and The End of the Free Market This book gives investors practical and easy-to-follow solutions on how to protect their investments and financial future. -Arthur B. Laffer, founder and CEO, Laffer Associates, and author of The End of Prosperity A superb book. Russ Koesterich's recommendations spanning financial...
