## COLLEGE BASEBALL RECRUITMENT: BEATING THE ODDS (PAPERBACK)

Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.College Baseball Recruitment: Beating the Odds is a guide to getting noticed by college coaches, earning your way on to a college baseball team, and succeeding at that college level. The author's first hand experience climbing the high school and college ranks is shown in this passionate, coarse, and straight forward account of how to get into college baseball. Any parent or player who has ever dreamed of playing baseball after high school and has no idea where to start in the process of recruitment should consider reading this manual. Told from the perspective of the athlete it is the first book of its kind to show the struggle of the athlete from the athlete's eyes. Other books written by scouts and coaches show the recruitment process from their angle often giving the reader minimal insight, but this book tells the story from all angles; the eyes of the player, the eyes of the coach, and the eyes of the scout.
