She was far too special for this common place. Princess Daisy is a the tale of a pretty pink daisy who believes she is too special for the garden she is planted in. She grows tired of sharing her water and taking care of the baby flowers, so she pulls-up her roots and heads off in search of greener pastures. Through-out her journey she learns the grass isn t always greener on the other side, and what it really means to be a princess. This rhyming children s picture book is written and illustrated by a Mother-Daughter team and is filled with vivid impressionistic pictures that should delight Princesses of any age.
