

The Dentist Chair (Paperback)

By Brooklynn Nicole

Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Dentist Chair is a compelling fictional novel about Dr. Harry James Maddox, once a highly respected and trusted pillar of the community. The Valley, as its residents call it, is nestled deep within the basin of Southern California and is a pretentious small and tight knit community. If there ever was a city that could be classified as Utopia, it was Montgomery Valley. Outsiders are rarely accepted but The Valley welcomed Dr. Maddox and his wife, Katrina, with open arms. They were an attractive couple, he was tall, lean and extremely handsome and Katrina was beautiful in her own right. Their daughters, Beverly and Angela, by virtue of their birthright were considered true Montgomerians and were expected to marry and remain safe and snug in this cozy environment. Dr. Edward Jones, a native Montgomerian retired after forty years of practicing dentistry leaving a patient base of one hundred to Dr. Maddox. Within five years he grew his patient base to over three hundred and fifty. His life could not have been more perfect or happy until he lost focus bringing shame upon...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
