Baker Publishing Group, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. There are so many moments in life when we choose to silence our intuition, abandon our own voice, and play small because we wonder, deep down: Do I know who I really am? Is who I really am enough? It s courageous work to learn to live from our essential identity--loved, worthy, whole. But what if God is calling us to shamelessly recover the woman he created us to be? What if God is urging us to be--for the first time in our lives--brazen? The word brazen means without shame. Leeana Tankersley wants women to be just that--to unapologetically move from shame- and fear-based living toward lives that are based on love and belonging. With moving personal stories and spot-on observations of the longings we all experience--to know we are loved, to feel comfortable in our own skin, to be heard--Tankersley calls women to honor that voice deep down inside of them rather than bowing to outside influences that push them to become someone they re not. Gritty and overflowing with grace, Brazen will set women free to be truly themselves in a world bent on molding them in its image.
