The story of Mr. Ellison's decade-long effort to win the Cup and bring it back to the U.S. under Golden Gate's flag is worth telling, and Julian Guthrie, a reporter for the San Francisco Chronicle , tells it well."-- Wall Street Journal "Splendid . Guthrie crisply sketches the complex process that was required for Ellison to establish his own position in the top ranks of yachting and organize the winning team in 2010. A thriller of a tale and a worthy scene-setter for this summer's trophy defense in San Francisco Bay."-- Kirkus Reviews " The Billionaire and the Mechanic opens with a thrilling scene as old as Homer's #145;Odyssey' and as iconic as ones from Conrad, Melville, Hemingway and Sebastian Junger : a man battling a dangerously stormy sea. [The Billionaire and the Mechanic] succeeds as a lively primer, history, and up-to-date soap opera, full of local color, leading up to the America's Cup races in San Francisco Bay."-- San Francisco Chronicle "Julian Guthrie's riveting book takes readers deep into uncharted realms, from the extremes of the ocean to the sublime connection between two singular men. The Billionaire and The Mechanic is a wondrously detailed story, beautifully told , by a writer who understands both the intricacies of human nature and the immensity of the natural world."--Susan Casey, author of The Wave: In Pursuit of the Rogues, Freaks, and Giants of the Ocean "Surely the most comprehensive book ever written about an America's Cup challenge, The Billionaire and The Mechanic will surely be must...
