Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Excerpt: .of the States with each other; the power to regulate commerce between them, --and to establish post-offices and post-roads. But there are two others intimately connected with these relations;--the one, to establish uniform rules of naturalization, and uniform laws on the subject of bankruptcies, throughout the United States;--and the other, to secure, for a limited time, to authors and inventors, the exclusive right to their respective writings and discoveries. In addition, there is a class which relates to both. They consist of the power to coin money, regulate the value thereof, and of foreign coins, and to fix the standard of weights and measures, --to provide for the punishment of counterfeiting the securities and current coin of the United States; to provide for calling forth the militia, to suppress insurrections and repel invasions; to provide for organizing, arming and disciplining the militia, and for governing such parts of them as may be employed in the service of the United States; reserving to the States, respectively, the appointment of the officers, and the authority of training the militia according to the discipline prescribed by Congress. The two first relate to the power of regulating commerce; and the others, principally, to the war power. Indeed, far the greater part of the powers vested in Congress relate to them. These embrace all the powers expressly delegated to Congress;--except, the power to lay and collect taxes, duties, imposts and excises, to pay the debts and provide for the...
