Francis Bacon: To Encompass the Infinite (Paperback)

By Peter Thomas Miles

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Although this book concerns Francis Bacon (1909-1992) it also addresses other issues. Firstly this is a critique that includes a survey of all Bacon s work and not just a selection. Of prime importance, for me, is the status of artistic cognition with respect to understanding the nature of the world we inhabit. At present materialistic scientific theories and postulations occupy the high ground in defining what reality is, whether that be the human being or the Universe. It is simply not countenanced by the proponents of this abstract, intellectual thinking that Imaginative Thinking can be anything other than ungoverned fantasy, and that the Arts are no more than a luxury to be indulged because of their entertainment value. This attitude, I argue, is engendered by an incorrect understanding of how our consciousness functions, which is at present in a dangerous state of imbalance due to the bias towards abstract, intellectual thinking. In relatively modern times it is Johann Wolfgang von Goethe (1749-1832) who first demonstrated that Intellectual Thinking when combined with Imaginative Thinking produces a richer fuller understanding...

Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dawn Hane

Completely among the finest ebook I actually have possibly go through. It is really basic but excitement from the 50 percent in the book. I am quickly could possibly get a pleasure of looking at a published ebook.
