Literatura Random House, 2017. Paperback. Condition: New. Original. Language: Spanish . Brand New Book. El libro de los espejos es una inteligente novela de misterio y suspense psicologico que habla sobre el poder y la fragilidad de la memoria, un libro adictivo e impredecible en el que la verdad de un hombre se convierte en la mentira de otro. Cuando el agente literario Peter Katz recibe un manuscrito titulado El libro de los espejos, no puede evitar sentirse intrigado por lo que encuentra en el. Se trata de las memorias de un tal Richard Flynn, y en ellas habla de su epoca como estudiante en la Universidad de Princeton en la decada de los ochenta, al tiempo que relata su estrecha amistad con otra estudiante y su relacion con el profesor Joseph Wieder, un reconocido psicoanalista especializado en la perdida de la memoria. En el manuscrito, Flynn vuelve a los detalles olvidados de aquellos meses para contar la verdad sobre un tragico suceso que tuvo lugar la vispera de Navidad de 1987, hace mas veintisiete anos. Pero el manuscrito termina de forma abrupta y el agente literario se obsesiona por desenterrar la verdad. No sera el unico: un periodista de investigacion intenta reconstruir los hechos y el detective original del caso, ya jubilado, pretende resolverlo antes de que el Alzheimer devore sus recuerdos. Criticas: Un puzzle ingenioso en el que todas las piezas encajan a la perfeccion. Toni Hill La historia de un crimen contada como Picasso pintaba sus cuadros. Lee Child Chirovici dibuja bien sus personajes y tienta al lector con revelaciones programadas con inteligencia. Un rompecabezas astuto y elegante que sin duda complacera a los aficionados mas literarios del genero negro. Kirkus Review Una trama intrincada. la accion culmina en una resolucion astuta y creible. Publishers Weekly Explora...
