Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

The six days Jameel, a 14-year-old boy, spent with his aunt in Havendale was not without hair-raising incidents. A thief, targeting items of gold, began plundering houses in the community and created a wave of worry. After witnessing suspicious activities on several occasions while out riding, Jameel wished he was a crime fighter with superpowers. Initially, he imagined himself fighting and capturing the culprit as JAM-EEL, a super Jamaican electric eel. Dressed in a skintight, masked outfit speckled with energy cells emitting far-reaching shockwaves, the hero stunned the bad guy. During his time at his aunt s, he earnestly worked on the idea of creating a crime fighting super eel and finally settled on the title e-Electricus. Discover how the shy teenager responded in the spirit of e-Electricus when he actually came face to face with the burglar in Havendale. e-Electricus # 1.
