Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You listened to that inspiring TD Jakes sermon, attended a Tony Robbins conference, spent many hours taking online classes and signing up for webinars. Deep down you agree with everything you've heard and learnt. You're all fired up. You really want to do something. Whether it's to set up a business, change job, re-invent yourself, travel the world, or fulfil the dream you had since you graduated from college. Often what follows is a story along the lines of I don't know how to start or I don't know if the idea will sell or I don't have the money or I'm not an expert so I'm not qualified or I don't know if it will work or just I'll start someday. Do you currently undervalue your genius? In reality, it is the stories we tell ourselves that limit us and keep us stuck. This book changes the narrative for you. If you will do all that this book teaches, you will transcend from being a wishful thinker to becoming a ruthless doer. Let's get started!.
