Nag Publishers, Delhi, India, 1996. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. It is for the first time that the eight versions of Sivasahasranamastotra are being brought out in One Volume. If we leave aside the Mahabhagavata - Deviupapurana version which appears to be of recent origin, the remaining seven versions may conveniently be divided into two groups : a). Based on the Anusasana Par-van version of MB and b). Based on the Sand Parvan version of MB. Both the Linga Purana versions and the Siva Purana version belong to the former category. The Vayu Purana and Brahma Purana versions belong to the second category. All these versions are compiled together. Nilakantha's and Ganesa Naru's Commentaries are also included. The relevant passages from the RV. and Yajurveda are also appended. A Comprehensive Introduction and Glossary of Namans as in the Anusasana Par-van version of the Critical Edition of MB add to the productivity of this volume for further research. Printed Pages: 350.
