The days seem to drag on as our potential slowly drifts away. In ReAlize, WOLF FRIESS takes us on a compelling journey to realize our own potential. In just ten simple steps, you will learn how to identify your biggest dreams and act on them until they permeate your very existence. Through a series of real-life inspirational stories as well as ancient parables that have stood the test of time, ReAlize will unlock your true self. And best of all, these principles are expressed in plain English, no complex formulas or advanced knowledge required. That's because dreams are one thing we all share, regardless of our background. Whether you're rich or poor, short or tall, we all strive to become a better version of ourselves. We all yearn to elevate ourselves until we can decorate the skies with our achievements so that those who come after us can be inspired. And the secrets are all in this book.
