Amazon Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. They Never Die Quietly tells the story of homicide Detective Sami Rizzo, who is assigned to head a task force investigating serial killings in San Diego. Simon, the highly intelligent, cunning, and deceptively charming villain, redefines the depths of human evil. He believes God has given him absolute authority to purify his unholy victims through a ritual that ends in a grisly crucifixion. Driven by warped religious beliefs and guided by his dead mother, very much alive in his subconscious, Simon abducts chosen ones and holds them captive in a Room of Redemption. There, the victims helplessly await their crucifixion. Detective Rizzo urgently yearns to solve the case and gain the respect of her male colleagues, but her obsession to apprehend the killer on her own clouds her thinking. When Simon outsmarts Rizzo and captures her, determined to make her his next victim, she must employ all her resources--both physical and intellectual--to outwit the villain at his own game.
