NOAH ZARC: DECLARATION (PAPERBACK)

Evolved Publishing, United States, 2017. Paperback. Condition: New. 3rd. Language: English . Brand New Book ***** Print on Demand *****. Can Noah Zarc keep peace across the solar system. even if it means starting a war? [YA Sci-Fi, Time Travel, Space Adventure, Extinction] As battles rage across the solar system, Noah Zarc must work to unite a rag-tag bunch of miners, farmers, and scientists who would rather just live in peace than fight a war which could set humanity back to the dark ages. if not destroy them altogether. With only a time-traveling ship full of animals and a General from the history books (who is more comfortable riding a horse than in a spaceship) the Zarc family has to stand against the full might of a highly trained army of attack-drones, and a fleet of battleships armed with enough firepower to take out an entire planet. Will the truth about what really happened a thousand years in the past be enough to stop total war? Or will Noah and his friends need to find another way to bring down a ruthless dictator who will do anything to keep himself in power. even if it means destroying the very people he rules? NOAH ZARC: DECLARATION by D. Robert Pease Evolved Publishing presents the third book in the multiple award-winning Noah Zarc series of science fiction time travel adventures--an out-of-this-world, action-packed thrill ride.
