Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

HANDBOOK OF SOCIAL MEDIA AND THE LAW (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 255 x 180 mm. Language: English . Brand New Book. Billions of minutes a month are spent globally on social media. This raises not only serious legal issues, but also has a clear impact on everyday commercial activity. This book considers the significant legal developments that have arisen due to social media. It provides an expert explanation of the issues that practitioners and businesses need to consider, as well as the special measures that are required in order to minimise their exposure to risk. The content is highly practical, and not only explores the law related to social media, but also includes useful aids for the reader, such as flow charts, checklists and case studies. Various categories and channels of social media are covered in this book, alongside the legal classification of different social networks. Social media is also considered in the context of human rights law by evaluating the implications this has had upon the development of civil and criminal law when pursuing a civil remedy or criminal prosecution in relation to online speech. As part of these discussions the book deals specifically with the Defamation Act 2013, the Communications Act 2003, the Computer Misuse Act 1990 and the Contempt of Court Act 1988 among other key issues such as seeking Injunctions and the resulting privacy implications. Finally, the author also pays careful consideration to the commercial aspects raised by social media. The reader will find reference to key cases and regulatory guidance notes and statutes including, the Data Protection Act 1998 (including the draft Data Protection Regulation), user privacy, human rights, trading and advertising standards, special rules for FCA regulated bodies and social media insurance. This book is an invaluable guide for private practice and in-house practitioners, business...
