Start by making sure kids know the main places and geographic features in their own state. Give them activities that pretend they are taking a cross-state bike tour, using free football game passes, jogging through the state, etc. - and theyll find their way around in a hurry! Geography activities include info on Alabama counties, rivers, museums, historic places, sites of interest, colleges, bordering states, climate, topography, crops and more, all ready to reproduce! Approximately 30 activities and 200 geography-related places and facts are covered. Students work alone or in groups and use maps, reference books or resource people to complete challenging riddles, matching games, word searches, fill-in lists, scavenger hunts, and completion exercises that reinforce learning, sharpen research skills, and provide a lively introduction to Alabama. Free teachers guide gives specific suggestions and instructions on how to get max educational value from this book. Geography is critical - make learning it fun! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
