ANTHOLOGY OF MAGAZINE VERSE FOR 1913: INCLUDING THE MAGAZINES AND THE POETS; A REVIEW (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Anthology of Magazine Verse for 1913: Including the Magazines and the Poets; A Review Poetry is one of the realities that persist. The facade and dome of palace and temple, the monuments of heroes and saints, crumble before the ruining breath of time, while the Psalms last. So when another year passes and we sum up our achievements, there is no achievement more vital in registering the soul of a people than its poetry. But in all things that men do, their relationship is objective except those things in which art, religion, love, and nature express their influence through the private thoughts and feelings of men. These four things are the realities, all the others are symbols. And the essence of art, as well as religion and love and nature, is a conscious and mysterious thing, called Poetry. And men will find, if they will only stop to look, that at the bottom of all this poetry, no matter what the theme or the particular artistic shaping, there is something with which they are familiar, because in their own souls there has been an unceasing mystery which they find named in the magic utterance of some lonely and neglected maker of verses. The poetry in the magazines for this past year has been of a general high standard. The long poems have been well sustained, and there has been a larger quantity of pure lyric pieces than in the past two or three years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
