Books On Demand. Paperback. Condition: New. 76 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. An optimistic and provocative view of societys options for change . . . The options you show are real . . . truly extraordinary. S Meinert I am touched, moved and inspired by your words. Your thoughts serve as important validation for the urges I am feeling to follow my heart and not my wallet. It is very scary, but equally liberating. C Norton I have just finished reading another must-read book. Ulrichs book, I believe, comes from - or from very close to - a sentinel experience. Certainly I feel frames shifting in my mind as a result of reading his book . . . Ulrichs book gives context, meaning, colour and detail to the preferred New Sustainability Paradigm. But Ulrichs book is different; it is essentially a personal intellectual journey recounted in conversational style, making it a powerful invitation to envision this desirable future with its liberating changes and daunting challenges. E Heij I just finished the book. It is a short, but very powerful book. I am still digesting, and will probably continue for many days, weeks, months, and hopefully, years to come. T Bill I had a great time to read your book. Slowly, as you suggested, and fully enjoyed it. I was fascinated by many aspects: the content which is challenging, provocative and terribly stimulating, the richness of facts, quotes, comparisons which make your issues and messages so real and impressive, your style, which may not always be easy reading, but I like it a lot: short, to the point, surprising, intellectually demanding. What more can I say but: I have to read it again (and again) to still better understand! F Sauerlinder I thoroughly enjoyed it. Im not sure I agree...
