*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Holly s summer holiday before starting high school stinks. Her dad breaks a precious summer vacation promise and is stepping up plans to get remarried. Her mother has started dating again, her bizarre little brother is acting out, and she has no friends. Worst of all, Holly is fat. Or so she thinks. Macaroni Monday chronicles the frenzied journey of a fourteen-year-old girl s desperation to harness the one thing in her life she has control over: what goes into, and out of, her mouth. As Holly drifts deeper each day into the secretive world of bulimia, she eventually puts her health in serious jeopardy without anyone at all barely noticing, least of all her divorced parents. Finally Holly finds a confidant in an unlikely friend. Mrs. Sinclair lives next door and is in her seventies. As she shares her own experiences as a child evacuee out of London during the Second World War, she helps Holly to reclaim her life in the most curious war possible: the war with oneself.
