Since Ethan Walsh realized his fiance was in love with another guy, his life has been spiraling out of control. He spent the last eighteen months drinking too much, hooking up with random girls, and flunking out of law school. When his sister Aubrey has a baby, he goes to visit her on the remote island off the coast of Maine, expecting it to be awkward. A past that haunts the present. What he isn't expecting is Aubrey's neighbor to be a beautiful and aloof blonde, Chloe, whose piano playing lulls him to sleep every night. He wants to talk to her, get to know her, kiss her. But Chloe doesn't speak, and no one knows why. So Ethan makes it his mission to learn the truth and instead falls in love with her smile, her music, her notes and texts to him. Helping Chloe feel safe enough to open up is actually healing him, but what happens when the darkness of reality threatens to destroy their new life? And a love that doesn't need words, only the heart.
