Naked Calories reveals the naked truth about what you are eating and how your lifestyle habits may unknowingly be sabotaging your health. The dynamic authors break it down to a simple three-step plan and teach you how to source better foods, eliminate unhealthy habits, and make choosing the best supplement as easy as ABC. Naked Calories, this decades Fast Food Nation, will help millions of people gain a new depth of understanding about how to maintain health in the 21st century. The Caltons are among the worlds leading experts on the topics of weight management, lifestyle medicine and micronutrient deficiency. In 2005, they set sail on a 100-country, 7-continent, 6- year global expedition, exploring the dietary and lifestyle habits of people around the world.
