SHORT STORIES FOR TALL PEOPLE: OR TALL STORIES FOR SHORT PEOPLE (HARDBACK)

Outskirts Press, United States, 2008. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. The author lives and works as a construction arbitrator in well-earned and deserved oblivion in Jamaica. He has written, and had published by the local university, several textbooks on the subject of arbitration, mediation and adjudication in relation to the settlement of commercial disputes. In order to maintain the last vestiges of his sanity, he has, as a last resort, taken to writing - the results of which are to be found by the discerning and adventurous reader in this rather silly volume. The author hereby and where before accepts no responsibility for libel suits, double-breasted suits, paternity suits or others of any shape or description. His final, albeit unfulfilled hope is that the reader will enjoy some part of his strange offering contained within these covers.
