No Bullshit - Benefit from two years of on-the-ground research from a seasoned player who has written over 100 city guides, bedded more than his fair share of New York women (sometimes two at a time or three in a day for good measure), and drank so much booze doing nightlife research that this book will probably end up being a resounding financial loss. . This guide covers the where, the when, the how, and everything else you need to know to sleep around in the city that never sleeps. Party Hard - Get the best picks from research of hundreds of venues in a comprehensive and detailed nightlife guide covering every single neighborhood in Manhattan, as well as major nightlife enclaves in Brooklyn and Queens. . .
