A Simple Password Journal - In today's digital world. It has become a requirement of digital life that we all possess a collection of passwords for all of the various websites, social media platforms, video and music streaming services and gaming websites. And while all of these services are extremely useful, remembering the many complicated passwords and usernames can at times be rather difficult, particularly if one already has a lot on their mind such as their job, their kids, their family, etc. It is help with this. Difficulty remembering where this handy little notebook excels. This password Journal is specifically designed to ease the burden of trying to remember a plethora of passwords on a daily basis. This journal has been specifically designed to keep all of your password, then usernames in one easy to access location. This handy little Journal is designed similar to an old-fashioned pocket address book. It is alphabetically organized with specific areas on each page for the password. The username and a space for notes that may be necessary for the website, such as the amount of your last purchase or when your subscription fees are due, this notebook is also designed to be extremely discrete within artistic cover that gives no indication whatsoever that this journal contains vital information for your daily life. It simply looks like any other pocket notebook or sketchpad if it is glimpsed in your purse, on your desk or even in your pocket as the best place to hide something is often in plain sight. This journal is sure to become a trusted companion for many years. Plenty of room to record password changes, security questions, and notes...
