What happens when you meet a man you can't take home to meet your parents? Author Lorhainne Eckhart returns with a brand new generation of Friessens. An engrossing big family romance series about family, commitment, hope and making a relationship work. In this Friessen Family novel, an unexpected proposition leaves a young woman tempting fate that will inevitably end in heartbreak. Living on her parents' ranch in the middle of nowhere, most people would give anything to be part of her family and have the kind of love her parents did. But Becky Friessen needed more than quiet and stability. She craved excitement, action, a spark of adventure and not letting anyone steer her into something she didn't want to do, or living in a quiet piece of the world where nothing ever happened. Until she meets a man who shocks her with an indecent proposal that she finds herself actually considering. He is a man she could never tell her parents about. He is a man she could never take home to meet the family. Only fighting this insane attraction between them could have her agreeing to something that could be a one-way road to heartbreak. This item ships from La Vergne, TN. Paperback.
