Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the final book of the Lustful Trilogy, the Widow finds the man of her sexual dreams, appropriately named, Morpheus. His wisdom and experience in the matters of love, lust and BDSM comfort her fears. She begins to trust again. Safe within his protection, she explores whatever desires have been locked away in her vanilla world. Suddenly, her body and her heart are at peace thanks to her Dominant, yet giving, lover. Morpheus has a jaded view of the world, yet, from the first encounter with the Widow on a sexual chat site, he sensed her immense curiosity. At first, he simply wanted to play, but now he can't even remember a time when she was not a part of his life. Her lightness of spirit brings joy to his dark soul. She is his lover, his mate. She makes his world complete, not by changing him, but by embracing his needs and desires, turning the guilt of his depravity into peace because she shares his sexual journey without judgement or artifice. Just as destiny has brought them together, cruel fate attempts to rip them apart. When Morpheus falls ill, his abhorrence to leave her a Widow again, alone and afraid, leads him to formulate a plan to send his lover into the arms of another man. But his desperate longings to see his lover in passion's embrace make him take the role of a cuckold. He has picked the man to help her if he should not survive, but it's a double-edged sword as he witnesses her falling deeper into the arms of the man chosen to replace him in all ways. Her guilt and longing for another...
