Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 126 pages. LC Number: KF27 . E553 2007o OCLC Number: (OCoLC)297182408 Subject: Medical fees -- United States. Excerpt: . . . 10 aid cases yielding an annual savings of about 17 billion, eliminating higher discriminatory co-payments under Medicare for our na-tions seniors for outpatient health care services and untreated mental health services, which also save money. Establishing collaborations and demonstration projects to im-prove the effectiveness of health information technology which can save 162 billion annually by reducing redundant tests, medical er-rors and mis-diagnoses. We have so much work to do here and I hope that this committee will work towards actually improving and renovating our health care system and not just continue a pattern that Congress has had for several decades of trying to find ways to save money on health care by cutting payments. We want to make sure that physicians and hospitals work effectively, but a fundamental part of that should be the leadership that this Con-gress and this committee takes in showing how we can do it better, more effectively, more efficiently save money and save lives in the process by transforming our nations health care system. The Fed-eral Government will be saving billions of dollars and thousands of lives. Thank you, Mr. Chairman. ALLONE Mr. P. Thank you. Mr. Green is recognized. OPENING STATEMENT OF HON. GENE GREEN, A REPRESENTATIVE IN CONGRESS FROM THE STATE OF TEXAS Mr. G. Thank you, Mr. Chairman, for holding the hearing. REEN I would ask unanimous consent to place my full statement in the record. It has been over a decade since a physician fee schedule was put into place to help control increases in Medicare payments of physicians. Unfortunately, payments for physician services match the SGR and...
