## DOODLE SPACE NOTEBOOK (PAPERBACK)

Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Doodle Space Notebook is the only notebook that leaves proper space for doodling. Everyone doodles from time to time. How annoying is it when you ve just completed an epic doodle only to have the effect spoiled by the lines on the page disfiguring your artwork? The Doodle Space Notebook solves this problem. Each page has, not just one, but three spaces in which you can doodle away to your heart s content, while filling the surrounding lines with notes, poetry, nasty comments about your neighbors or any other literary masterpiece you like. Each of the 100 pages contains a starter squiggle that you are challenged to make into something recognizable by drawing on it using the squiggle as a basis. The Doodle Space Notebook combines sketchbook and notepad in a wonderful blend of art and literature that you won t find in any other notebook or journal. It also comes with a tasteful and elegant cover that is reminiscent of the Victorian journals and diaries of many moons ago. All in all, the Doodle Space Notebook is a welcome addition to all the other notebooks, journals and scribble pads that you have collected over the years and can take pride of place on any bookshelf.
