God Means Something Different to Everyone This book is amazing. It is one of those that once you start reading you don t want to put down. I am a huge fan of this author. He is a genuine man with a heart of gold, which makes these stories even more inspiring. Touching, indulging views, a book to add to your collection. Danna Parr As someone who avoids discussing my personal beliefs with others, I was amazed and captivated by the honesty and openness of the interviewees and the author himself. I was touched and moved to tears. I can relate to many of the people as fellow Texans and souls in search of meaning of life and spirituality. Frances Conner Finding God in many faces Finding God is a one-of-a-kind series of intimate stories told by everyday people. Discover what these people believe and why as it pertains to their own unique spiritual journeys. These highly personal stories discuss not only such issues as the existence of heaven and hell, the validity of the Bible, alternative religions, spirituality and life after death, but also chronicle sometimes gut-wrenching life events that helped develop a wide variety of belief systems, some conventional and some not-so-conventional. Anyone interested in spiritual issues, or searching for meaning in their lives will find something in this book with which they can identify. Read Finding God now and begin exploring your own spirituality and the revelations you derive from your experiences, relationships, and the significant events that have shaped your life. Also available on Kindle.
