McGill-Queen's University Press. Paperback. Book Condition: new. BRAND NEW, Challenging the Market: The Struggle to Regulate Work and Income, Jim Stanford, Leah Vosko, For two decades economic and social policy in most of the world has been guided by the notion that economies function best when they are fully exposed to competitive market forces. In labour market policy, this approach is reflected in the widespread emphasis on "flexibility" - a euphemism for the retrenchment of income support and social security,...
