## Year 6 Maths SATs Targeted Practice Workbook: 2018 Tests (Paperback)

By Collins KS2

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Revision that sticks! The revision method that really works: repeated practice throughout. This Maths practice workbook targets every topic in Year 6 and contains practice opportunities to help improve performance in tests and assessments at Key Stage 2. Matched to the requirements of the National Curriculum, this Maths practice workbook is designed to target every topic in Year 6 at Key Stage 2. Based on new research that proves repeated practice is more effective than repeated study, practice workbooks are guaranteed to help improve performance in tests and assessments. Included in this book: \* Questions for every topic organised into three levels of increasing difficulty \* Progress tests throughout the book for ongoing assessment \* A section where children can record their results and track their own progress \* A pull-out answer section.

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*
