Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dear Reader, Life, love, and hope have a story, and each story has an explanation. The answer to the questions we might encounter in the journeys of our lives lies beneath the story behind the question. This is the pattern to find a truthful explanation regarding anything in life. This is a poetic self-help book written by an ordinary gardener who came to America as a teenager, searching for refuge and a better future. When reaching his destiny, he not only fulfilled his dream but also found something even greater that will bless our hearts! The Poem of Life is life itself telling us its story and love itself teaching us how to love! It is a forgotten treasure chest, full of patterns to help us understand our complicated world. It is one of the most intelligent insights into humanity. The gift of life is to be a human being, and our gift is even greater when we act like humans.
