The Emerging Middle East Financial Markets (Hardback)

By Henry T Azzam

AUTHORHOUSE, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. The book aims to unravel the potentials of Middle East financial markets, which are spread over a large and wealthy part of the world. These markets are gradually being opened for international investors seeking diversification and rewarding risk adjusted returns. However, opening up to international investors is a necessary but not a sufficient condition to attract institutional money needed to provide depth and professionalism to these markets. Without a cultural shift towards more transparency, better regulations and governance, and the availability of custody, clearance and equity research, up to international best practice, not much institutional money will be forthcoming to the region. Funding sources in the Middle East and North Africa Region are still predominantly channeled through the banking system, with equity and fixed income markets playing a marginal role. While the world s financial markets show on average a balanced structure of bank assets, stock market capitalization and debt securities, the capital mix in the region is heavily skewed towards bank assets with a share of 58.8 , equities around 34 and debt securities (bonds and Sukuk) 7.2 . Stock markets of the UAE and Qatar...
