Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Great Northern Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. This is the Yorkshire edition of the humorous dictionary of toponymy and etymology, created by Douglas Adams and John Lloyd. If you opened this book expecting to find a variety of quaint thee and thy-based colloquialisms with the odd ee-by-gum and tha ll be reet thrown in for good measure, you may be a little disappointed. However, if you picked up this book because you re curious about things for which no words exist, and have a mild interest in random Yorkshire villages with quirky names - then you re in luck! The Yorkshire Meaning of Liff twins some of the obscurely wonderful, often unheard of and wastefully under-used place names of this glorious county, with the numerous experiences, feelings, situations and objects which we all know but, for some reason, have no words attributed to them. In no time at all you could be waxing lyrical about your most recent denaby main; empathising with friends who have also suffered a grimston, or expressing a whiston acquired during a state of galphay.
